

History and Legacy

-  Started in 1991 by Don & Betty Parks
-  Over 1,000 members
-  Mailings full of Corvette fun

Did You Know?

The 1969 NCCC Convention was held in Daytona Beach July 8 to July 12, 1969, at the Daytona Plaza. Speed events were held at the Daytona Speedway. One of the attractions sponsored by the convention was a road trip to Marine Land in Flagler County. During the visit to Marine Land a dolphin was born. The management of Marine Land named the dolphin "Vette". Later the NCCC Board of Directors voted the Dolphin to be the Official mascot of the NCCC. The Daytona convention was a tremendous success; more people came to this convention than any prior conventions. (Blue Bars 1969)

WHAT IS FCOA?

The Future Corvette Owners Association (FCOA) is NCCC's official youth program – a one-of-a-kind Corvette club just for kids under 16.

Founded in 1991, FCOA was created to share our Corvette passion with younger generations, helping ensure the future of the hobby and the NCCC community.

For children, grandchildren, nieces, and nephews of NCCC members

Club benefits include:
Welcome Packet
Birthday Recognition
FCOA Newsletter
FCOA Website

WHY JOIN?

It's Fun & Educational:

Kids learn about America's Sports Car through age-appropriate Corvette materials and club events.

It Builds Community:

FCOA connects young enthusiasts with each other, laying the foundation for a lifelong love of Corvettes.

It's a Tradition:

Many FCOA members grow up to become full NCCC members—and some are now enrolling their own children!

Incredible Value:

Just a one-time \$10 membership fee – no annual dues!
