For the 2024 model year, America's sports car was available with a total of 62 different interior colorway and material combinations, which can certainly make for quite the difficult decision for prospective buyers when it comes to spec'ing the cabin of their Corvette C8. That being said, Corvette Product Manager Harlan Charles recently presented a list that broke down the most popular interior colorways for the 2024 Corvette.

EXPLORE

Concours

According to the NCCC 2024-2025 Rulebook, a Concours D'Elegance is show or contest of vehicles and accessories in which the entries are judged chiefly on excellence of appearance and turnout.

The participating Corvettes are placed in established NCCC classes that take into consideration the year, model, style, degree of originality and correctness of restoration. All classes are judged based on 100 points.

A special form of the Concours called a People's Choice Concours can be hosted when a Club does not wish to put forth the effort and/or secure the number of judges required to host a Concours. In a People's Choice Concours, the Corvettes are separated into Classes chosen by the Host Club.
